Cowley Business Park
Cowley
Uxbridge
Middlesex, UB8 2AL**VALUE:** £0.95 million**CONTRACT DESCRIPTION:**

The work comprised of the relocation of three courts and the construction of a new court along with associated sub structure works and hard and soft landscaping.

Our work included the demolition of the existing buildings, careful excavation of the existing clay courts, reusing material wherever possible and the installation of 5,000 metres of ducting and large diameter storage pipes. 2,000m² of small element paving slabs were replaced/reused. All the work was undertaken in restricted access conditions and special consideration was given to the club's activities continuing whilst the work was in progress. In addition due regard was given to the existing features that remained to ensure no damage took place.
