

M.O.D.**CONTRACT:** DGC Mapping Library**CONTRACT PERIOD:** 40 Weeks**CLIENT:** Warings Contractors Ltd
Gatcombe House
Hilsea
Portsmouth
PO2 0TU**VALUE:** £0.9 million**CONTRACT DESCRIPTION:**

Mann was asked to construct the substructure and slab works for a new mapping library for the MOD. The substructure works consisted of a large reinforced concrete base, foundations and ground beams. The slab was approx 7,500 m² and was power floated to an FM2 tolerance. The works were complicated by a large amount of existing services encountered below ground, which had to be worked around with extreme care. Minimal external works included footpaths and a service area for new building.
