

DIRECTIONS AND LOCATION MAP

Arriving by car from the North Circular:

- Travelling west along the A406 (North Circular) from the M11 junction, proceed to the junction of the A10 with the North Circular.
- Likewise travelling east along the A406 (North Circular) proceed to the same junction for the A10 with the North Circular.
- Exit the A406 at this junction and follow the signage for A10 North for Enfield. Proceed north on the A10 to the junction of the A110.
- At this junction travel east (right) along Southbury road, continue along Southbury Road over the junction of the A1010 until the roundabout sited at the junction with Mollison Avenue.
- At the roundabout take the first exit on the left, travel along Mollison Avenue over 2 roundabouts until approaching a traffic light controlled junction.
- This is the junction with Green Street. Turn left at this junction on to Green Street and then take the first turning on the left which is Jute Lane.
- Proceed for approximately 75 metres and the entrance to Mann Construction is sited on the left.

Arriving by car from M25:

- Exit the M25 at junction 25, and follow signage indicating A10 Enfield (south).
- Within 250 metres, there is a substantial traffic light controlled junction with Bullsmoor Lane (A1055).
- At this junction turn left and continue along Bullsmoor Lane over the next traffic light junction, at which point the road then becomes Mollison Avenue (remaining A1055).
- Continue along Mollison Avenue through three traffic light controlled junctions.
- Approaching the fourth traffic light junction manoeuvre to the outside lane and proceed into the dedicated filter lane to turn right into Green Street.
- Upon entering Green Street take the first left turn into Jute Lane, and after approximately 75 metres turn left into the entrance for Mann Construction.

Arriving by Rail:

The closest railway station to the Mann Construction offices is Brimsdown Station, which is situated less than 400m from our offices. This station is predominately accessed by trains departing from Liverpool Street (Central Line, Hammersmith & City Line, Circle Line, and Metropolitan Line) travelling towards Stanstead, Cambridge, and East Anglia. Several trains leave Liverpool Street within any one hour period, and the travelling time is approximately 20-40 minutes.
