

EDUCATION

CONTRACT: Orchard Primary School,
Sidcup

CLIENT: Willmott Dixon
Construction Ltd.
Munro House
Portsmouth Road
Cobham, Surrey
KT11 1TE

CONTRACT PERIOD: 52 Weeks

VALUE: £0.45 million

CONTRACT DESCRIPTION:

This project comprised of the construction of a new primary school including new car parks, access roads, landscaping, playgrounds and the demolition of the original school. All works were carried out whilst the school maintained its normal day to day operational requirements, and with the minimum of hindrance. Our original scope of works was to provide all the necessary labour, plant, materials and supervision to carry out initial enabling works and then the construction of the concrete foundations to the new school including the installation of an extensive new storm and foul drainage system. As the works progressed our scope increased to include the demolition of the existing school together with all of the external finishing works. These external works included the construction of playgrounds, car parks, access roads, topsoiling to planting areas and sports areas and general works required to complete the project.
