

COMMERCIAL**CONTRACT:** 3M Head Office, Bracknell**CONTRACT PERIOD:** 30 Weeks**VALUE:** £1.5 million**CLIENT:** Costain
Costain House
Vanwall Business Park,
Maidenhead
Berkshire SL6 4UB**CONTRACT DESCRIPTION:**

The contract consisted of reinforced concrete pile caps, ground beams and underground drainage all topped with a power floated reinforced concrete ground floor tied into the ground beams covering approximately 7,000m². Additionally there was a basement construction comprising of a basement slab and reinforced concrete walls all constructed in such a manner to form a watertight structure. The local ground comprised of heavy clay and therefore all the foundations and ground slabs were constructed upon 'Cellcore' collapsible board, which due to its relatively delicate construction required careful planning and execution of the works on top.
