

**HEALTH & LEISURE**

**CONTRACT:** Broomfield Hospital,  
Chelmsford

**CLIENT:** Kier Eastern  
1 Stepfield  
Eastern Industrial Estate  
Witham  
Essex, CM8 3TH

**CONTRACT PERIOD:** 30 Weeks

**VALUE:** £1.1 million

**CONTRACT DESCRIPTION:**

This project involved the construction of 2000/m<sup>3</sup> of reinforced concrete foundations for the new multi-story car park at Broomfield Hospital, Chelmsford. Further works include the bulk excavation of 5,000/m<sup>3</sup> to an off-site licensed facility, storm and foul water drainage, stormcell soakaways, sub-base and all external works, including block paving and kerbing.

Within the same hospital site, further packages were released to Mann, which included the construction of the VIE Building, including construction of a piling mat, bulk earthworks, reinforced concrete foundations, powerfloated concrete slab, drainage, 2000/m of service ducting, in-situ medical gas duct and road alterations

The external works package includes the construction of new access/service roads, car parking bays, all kerbing and finishing works.
