

COMMERCIAL

CONTRACT: The National Cat Centre,
Chelwood Gate

CLIENT: Willmott Dixon Ltd
Cedar House
Cedar Lane
Frimley
Surrey

CONTRACT PERIOD: 30 Weeks

VALUE: £1.26 million

CONTRACT DESCRIPTION:

This contract was carried out on behalf of a well-known national charitable organisation. The contract involved enabling works and site set up prior to the contract commencement.

The main section of the contract was the construction of new cattery and staff and welfare buildings incorporating drainage, foundations and in situ concrete ground slabs.

Further works included the underpinning and adaption of an existing building to become the new cat centre headquarters.

Additionally the project involved the construction of drainage lagoon for surface water storage and the associated headwall.

There was also an extensive external works package and the construction of access roads. Works within this package included paving, tarmac and the supply and erection of a timber piled retained wall.
