

**INDUSTRIAL****CONTRACT:** Furzton Lakeside Reserve**CONTRACT PERIOD:** 20 Weeks**CLIENT:** McCann Homes Ltd  
Exchange House  
Lake Street  
Leighton Buzzard  
LU7 1BJ**VALUE:** £0.87 million**CONTRACT DESCRIPTION:**

This project involves the building of McCann Homes new head office building, and an additional three office buildings within the site. Our works include reduce level, the mass pad foundations, reinforced concrete ground beams, and concrete cavity fill to the buildings. New foul water and surface water drainage systems including interceptor, and connection to existing sewers. Externally we have constructed some 4500m<sup>2</sup> of block paved roads and car parking, all service connections and ducting, Paved main entrances, fire access and window cleaning paths. Landscaping to the grounds, bin stores, lighting and foundations to the main site entrance gates.
