

INDUSTRIAL

CONTRACT: New hanger and offices for
Signature Flight Support,
Luton Airport.

CONTRACT PERIOD: 40 Weeks

CLIENT: Marriott Construction
Marriott House
Rushden
Northants

VALUE: £0.72 million

CONTRACT DESCRIPTION:

Site preparation including the excavation and disposal of 7,000 m³ of surplus materials, and the construction of foundations, drainage, floor slabs and external works for an 85 m span aircraft hanger and associated three storey offices facilities. The work required careful planning and sequencing allowing the interface with other trades within a very confined site.
