

INDUSTRIAL

CONTRACT: Solartron Retail Park -
Farnborough

CONTRACT PERIOD: 29 Weeks

CLIENT: Warings Contractors Limited
Gatcombe House
Hilsea
Portsmouth
Hampshire
PO2 0TU

VALUE: £1.1 million

CONTRACT DESCRIPTION:

The project involved the construction of a new retail park consisting of 9 separate units built on the site of an existing DIY warehouse including an extension of the existing structure. Our works comprised of the removal of existing hardstandings, the construction of reinforced concrete foundations and pile caps, installation of a new drainage system including connections to the existing local authority system, installation of new communication and service ducts, installation of a 2500m² reinforced concrete ground floor slab and 3000m² concrete service yard slab, preparation to receive 8000m² of tarmac surfacing to the new car park, and the installation of external works items including paving, kerbing, street furniture and various step and ramp units.
