

COMMERCIAL

CONTRACT: NATS, Solent Business Park,
Whiteley, Hampshire

CLIENT: Warings Contractors Limited
Gatcombe House
Hilsea
Portsmouth
PO2 0TU

CONTRACT PERIOD: 36 Weeks

VALUE: £1.8 million

CONTRACT DESCRIPTION:

The project involved the construction of 2no. 3-storey office buildings for occupation by the National Air Traffic Services, on a site approximately 25,000m² in size. Our works included the clearance of vegetation, excavation and construction of mass-filled concrete pad foundations and perimeter concrete upstand walls, construction of 2no. core areas, which included several lift and service risers pits, installation of 4,500m² reinforced concrete ground floor slabs, and installation of a new drainage, communisation and utility service duct systems. We also are to carry out the external works package, including the preparation for and installation of 13,000m² of block paving to various decorative designs. The works required careful coordination in order to minimise disruption to the surrounding office park area.
