

COMMERCIAL**CONTRACT:** Office Block, Staines**CONTRACT PERIOD:** 36 Weeks**CLIENT:** Kaverner Construction Ltd
Crown Square
Working
Surrey
GU21 1HL.**VALUE:** £1.1 million**CONTRACT DESCRIPTION:**

The contract primarily consisted of a large basement excavation of approximately 60,000m³. The works included the design, supply and installation of 53 tonnes of temporary structural steel, with additional temporary sheet piling.

The capping beam and underpinning package was supplied to a listed building adjacent to the site, all of which formed part of the enabling works. The external works package involved shallow drainage and high quality paved finishes.
