

M.O.D.**CONTRACT:** S.T.C. Oakhill, Milton Keynes**CONTRACT PERIOD:** 12 Weeks**CLIENT:** Gleeson
Haredon House
London Road
North Cheam
Surrey, SM3 9BS**VALUE:** £1.4 million**CONTRACT DESCRIPTION:**

The construction of a secure training centre alongside the existing Woodhill prison in Milton Keynes.

This project was constructed with 2m deep mass fill concrete foundations upon which were 1m high reinforced ground beams interlinked with a reinforced concrete ground slab.

The construction consisted of three accommodation blocks, a learning centre, sports hall, entry and administration building, healthcare and facilities management building.

Additionally Mann also constructed 2500m of haul roads for main construction, and a 2500m car park, all coupled with an extensive drainage system in excess of 3000m of pipe and 100 manholes.
