

HEALTH & LEISURE

CONTRACT: West Ham United Football Club **CONTRACT PERIOD:** 78 Weeks

CLIENT: Taylor Woodrow Construction Ltd **VALUE:** £2 million
345 Ruislip Road
Southall
Middlesex
UB1 2QX

CONTRACT DESCRIPTION:

The project involved the construction of the football stand for West Ham United on traditional bases and ground beams. Part of our works also included the construction of the reinforced concrete upper floors and ground floor pouring approximately 2,500m³ of concrete in total. We also constructed the 4,000m² of external car parking and laid approximately 1,500m of drainage including 200m of large diameter storage pipes. Whilst the work progressed, the stadium remained open and all works were phased around ongoing events and games.
